March 31, June 30, September 30, and December 31.

Each applicant will receive a confirmation letter within 2-3 weeks after the application is received. If an application is incomplete or lacks required supporting documents, the sender will be notified if the sender's information can be identified. Applications that remain incomplete or are missing supporting documents at the quarterly deadline will be denied.

Community Fund Ohio's Planning Committee will review all complete, submitted applications on a quarterly basis after March 31, June 30, September 30, and December 31. Only those applications that are complete and that meet all eligibility criteria and requirements will be considered for approval. However, the Committee has complete discretion to approve or deny any application, even if it meets all requirements.

Each applicant shall be notified of the Committee's decision within forty-five (45) days after the end of the quarter. Applicants who receive a denial may submit a new application in a future quarter.

Due to the quarterly review and approval schedule, <u>available funds could be exhausted</u> <u>before the end of the calendar year</u>, so it may be in applicants' best interest to submit applications early in the calendar year.
